2011 Smarter Schools National Partnership Plan for Balaklava High School

PURPOSE

The Australian Government Smarter Schools National Partnerships are designed to build the capacity of South Australian schools and contribute to the achievement of the following National Education Agreement Outcomes:

1. All children are engaged in and benefiting from schooling;
2. Young people are meeting basic literacy and numeracy standards, and overall levels of literacy and numeracy achievement are improving;
3. Schooling promotes social inclusion and reduces educational disadvantage of children, especially indigenous children;
4. Australian students excel by international standards; and
5. Young people make a successful transition from school to work and further study.

To support the achievement of these outcomes, Balaklava High School is participating in the following Smarter Schools National Partnerships Strategies in 2011:
